## **Purpose of the policy**

This policy confirms that Clyst Vale Community School reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- the correct procedures are followed regarding food and drink in the examination room
- appropriate arrangements are in place for the management of food and drink in the examination room

## **1. Food and drink in the examination room**

- Food and drink is allowed in the examination room at the discretion of the head of centre (ICE 18.2)

To enable invigilators to check these items quickly and efficiently:

- food brought into the examination room by the candidate must be free of packaging and in a transparent container
- drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ICE 18.2)

The following arrangements are applied at Clyst Vale Community School:

Only clear bottles of water with all labels and packaging removed are allowed in the exam room. If a candidate with a medical condition requires anything other than this, it must be arranged in advance with the EO.

Additional centre-specific arrangements:
