Principal's Update

Sara Jacobs
Principal

Dear Parents and Carers,

I hope your child enjoyed a restful half-term break. The beginning of each half-term is an ideal moment to reaffirm our College values, culture, and ethos. This week, we celebrated 'Diversity Week' through our RRS pastoral programme, offering students the chance to reflect on inclusivity, respect, and understanding. Each morning, students engaged in tutorials focused on different protected characteristics, which they then discussed further with teachers in their first lessons. They explored the lives of inspiring figures like Malala Yousafzai and Nicola Adams, learning about resilience and the significance of equality. This week has been a powerful reminder of our core value of 'Respect,' emphasising kindness, the impact of our words, and each student's role in fostering a supportive community.

With a fresh start, this is also a great time to reaffirm our uniform expectations, and we appreciate your support in helping students adhere to them. While most students wear their uniform with pride, we've noticed some areas needing attention. We ask you to check the length of your child's skirt, as some skirts are either rolled up or genuinely too short and may require replacement. Additionally, a reminder that nose piercings are not permitted, and students will be asked to remove any studs. Next week, Mr. Sutton, Deputy Principal, will lead assemblies to reinforce these expectations and remind students of their role in creating a safe, positive, and respectful learning community.

Separately, you should have received information about the Sheu survey which we have undertaken on an annual basis. This is a Devon-wide pupil health and wellbeing survey, funded by Devon County Council's Public Health team. The survey provides a platform for children and young people to share their experiences, behaviours, and perspectives, which helps inform the Council's efforts to support. If you would like to view a copy of the survey questions, please contact Mrs. Grant in Student Services.

Finally, this half-term will be a busy time for our Year 11 students as they prepare for their upcoming mock exams. To support them, we've developed the 4:1 revision programme to help students plan their time, build independent study habits, and follow a structured revision schedule. In addition, selected students have had the opportunity to access extra support through exam stress workshops, which focus on managing anxiety, building confidence, and developing effective coping strategies. Their performance in these exams will provide valuable insights into their strengths and areas for improvement. Additionally, while unlikely, should any students be unable to sit final exams, their mock results may serve as evidence in any alternative awarding of grades. We appreciate your support in encouraging students to give their best effort in these exams.

Thank you once again for your continued support as we work together to ensure a successful term for every student.

Sara Jacobs, Principal

Dear Friends,

Thank you so much for your generous gift of £118.26, which means that more and more donkeys can receive the love and care that they deserve, donkeys just like Tommy and Timmy.

Tommy and Timmy are such lovely donkeys, and I can't believe what an awful start they had to life. They have overcome so much and are getting on so well now. But that only happens thanks to supporters like you.

Tommy is turning into a real character and is often one of the first donkeys to make himself heard at breakfast time! We can see that years of walking on overgrown hooves has taken its toll on his joints but he is coping well and still really enjoys being out in the fields.

Timmy is fine too (he is the smaller one in the photo) and it amazed me how well he coped when the farrier last visited. Your help and support really improves these donkeys' lives and means that their future is safe and secure.

Thank you for making happy endings like this possible.

Yours sincerely,

Clyst Vale - A Gold Rights Respecting School

As a Rights Respecting School one of our aims is to ensure our students understand what it means to be Global Citizens. One of the ways we promote students taking an active role is through charity events such as non-uniform days and year group fundraising. In the Summer Term we were able to raise money for both The Donkey Sanctuary and for Force Cancer. Through the Year 9's fundraising efforts last year they raised an impressive £815.36 and this collective effort demonstrates our commitment to supporting our local community. Our students are able to see the impact their actions have, and they know by participating in events such as these they are showing what it means to be a Global Citizen.

On Friday 25th October we held our whole school Non-Uniform day for Force Cancer which was chosen by our students from across the College.

This week students are learning more about the protected characteristics through our Diversity Week event. Each morning students are having a tutorial input around different characteristics and will then have an opportunity to carry this discussion through into their first lesson with their teachers. This is an incredibly important opportunity for students to understand more about the world we live in and to learn about rights which directly affect them. There will also be some whole school activities for students to participate in throughout the week. At lunchtime today students had the opportunity to make their own Pride Flags.

Sustainability & the Environment

We are delighted to announce that we have a new bike shelter which has been built to encourage students to ride to school. This fits with our plans to look at how we can work more proactively to commence sustainability initiatives in College.

Many thanks to Ron in our maintenance department for building this over half term.

Please be reminded that if your child/ren cycle to Clyst Vale they need to have a current cycle pass. To obtain a pass please see the email sent out before half term or contact StudentServices@clystvale.org for an application letter. Please be aware that the wearing of appropriate clothing to be visible to traffic and the wearing of helmets is mandatory.

Post 16 RNLI Visit

The wonderful post 16 students raised a total of £242.70 on Harry Patch Day (22nd September) 2024.

We have some star bakers in year 12 and 13 and they worked so hard to produce wonderful cakes.

We always raise money on Harry Patch Day for the RNLI, which was his favourite charity. On Wednesday 23rd October Mr Powell drove the school minibus, with 13 students from years 12 and 13 to Exmouth RNLI. We were greeted by RNLI volunteer Ian Rick and some of the lifeboat crew.

We handed over the £242.70p raised on Harry Patch day. Millie and Nina Page had made cup cakes (with blue icing and the RNLI logo) and Josh Jones had made chocolate brownies. As Wednesday night is crew training night at Exmouth these sweet treats were very well received.

Many thanks to all of our post 16 bakers, all of our customers on the day, and to all of our Harry Patch Day supporters.

Mrs Padden

Good luck

Good luck to Naomi in Year 12 who will be participating in the prestigious Horsemanship Showcase event in Bedfordshire at the end of November. Many of the top natural horsemanship riders will also be participating and Naomi will be performing in front of around 1000 people.

Naomi rides with the All-Steps Formation Riding Equestrian Team and regularly performs at shows and demonstrations across the country.

News from Post 16

On Wednesday this week we welcomed Nicky Tait from NatWest bank, who came in to visit Year 12 to support with a MoneySense workshop in Tutorial time. The 'Budget Like a Boss' session introduced the idea of budgeting, including understanding income, identifying needs and wants and tackling unexpected spending. Students tested out their budgeting skills by reviewing a young person's budgeting and giving advice on how they can improve. This was the first in a series of 3 Financial Foundations workshops that Year 12 will attend as part of their Tutorial programme.

Next Wednesday, we are looking forward to a visit from MADE Training, who will spend time with both Year 12 and Year 13. All of Year 12 will attend 'Stepping Up' sessions Periods 2 & 3, with Year 13 taking part in 'Exams Made Easy' Periods 4 and 5. For each year group, normal lessons will be suspended for the 2 slots in which they attend training, but the timetable around these sessions will run as normal throughout the rest of the day.

This Saturday, our Y12 students who are in training for the 55-mile Ten Tors challenge will spend the day on Dartmoor, putting their navigational skills and endurance to the test as they make their way around the pre-planned route. Good luck to all involved!

Four Post 16 students have now been selected for December's trip to the European Parliament in Strasbourg, where they will explore topics such as human rights, European institutions, youth engagement, and disinformation. Attendees will have the chance to witness the Sakharov Prize award ceremony (a prize linked to freedom of thought) in the European Parliament chamber and meet the laureates and other human rights activists. There will also be a seminar for students on the European Parliament. 2 students each from Year 12 and Year 13 are participating and are very much looking forward to this opportunity! It was a real privilege for Clyst Vale to be selected for this trip, as we are the only school participating in the Ambassador Schools programme to have been chosen to send a delegation to this event from the UK.

Can you help?

We are seeking local businesspeople to come and talk to our Year 10 BTEC Enterprise students about how and why they set up their businesses (End Nov/Early Dec).

We also would like to hear from entrepreneurs who could complete a questionnaire about their business for the students to use as a case study.

They start their coursework after Christmas and it would be great for them to talk to real business owners.

Please email Kate Jones jonesk@clystvale.org for more details.

Stagecoach payments

This week we have had quite a few card payments declined on Stagecoach. Please be aware that payments by cards takes a few days to clear on the account. Therefore, if the account doesn't have money on it when the collection of money is attempted, a 30 day block is put on that card. If the card is then used during that 30 day block, the block starts again for another 30 days. To secure a safe journey for your child, you may wish to give them an emergency fund in their bag.

Breakfast

REMINDER: Free porridge is available to ALL STUDENTS every morning from 0830 in the Canteen. Choose one topping from the following: jam, cinnamon, sugar or golden syrup. Additional toppings charged at 20p each

Reading Recommendations Newsletter

Welcome to our new half-termly reading newsletter. In each edition, we will recommend books from a variety of styles and genres, to inspire readers across all year groups.

Year 7

Things Tally is dreading about sixth grade:

-- Being in classes without her best friends-- New (scratchy) uniforms-- Hiding her autism Tally isn't ashamed of being autistic -- even if it complicates life sometimes, it's part of who she is. But this is her first year at Kingswood Academy, and her best friend, Layla, is the only one who knows. And while a lot of other people are uncomfortable around Tally, Layla has never been one of them . . . until now.

Year 8

Romania, 1989. Communist regimes are crumbling across Europe. Seventeen-year-old Cristian Florescu dreams of becoming a writer, but Romanians aren't free to dream; they are bound by rules and force. Amidst the tyrannical dictatorship of Nicolae Ceausescu in a country governed by isolation and fear, Cristian is blackmailed by the secret police to become an informer. He's left with only two choices: betray everyone and everything he loves—or use his position to creatively undermine the most notoriously evil dictator in Eastern Europe.

Year 9

Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why -- or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House, where every room bears the old man's touch -- and his love of puzzles, riddles, and codes.

Years 10&11

Harry Patch, the last British soldier alive to have fought in the trenches of the First World War, is now 108 years old and one of very few people who can directly recall the horror of that conflict. Harry vividly remembers his childhood in the Somerset countryside of Edwardian England. He left school in 1913 to become an apprentice plumber but three years later was conscripted, serving as a machine gunner in the Duke of Cornwall's Light Infantry. Fighting in the mud and trenches during the Battle of Passchendaele, he saw many of his closest friends die.

This half-term, year 10 have been enjoying:

Attendance, Absence and Requests for Absence

Reporting an Absence

Parents are expected to inform us of their child's absence before 9.00 a.m. on each day of absence providing the reason for absence. If the absence continues beyond the first day, please contact the College on each subsequent day of absence, too. To comply with safeguarding obligations, we cannot simply assume a student's sickness absence is ongoing; we need to be certain that the reason for absence is due to continuing illness. If you do not notify the College, then we will make contact with you to identify the reason for absence. This is important as it helps to reduce unauthorised absences and truancy. In addition, the College may ask you to provide medical proof if your child is absent from College due to illness.

Lateness

The school day (first registration session) starts at 8.50 am, all students are expected to be in their classroom at this time.

Medical Appointments

We encourage students to maximise their levels of attendance; research indicates a direct link between attendance and examination performance. The timing of many medical appointments means that often students can attend school first and return afterwards. By doing so, students minimise missed learning whilst keeping their attendance levels as high as possible. We ask that parents/carers send their child into school for morning registration, even when a medical appointment takes place in the middle of the morning. Similarly, appointments scheduled for the afternoon should, where possible, be arranged after Period 4 - during lunchtime. Students are encouraged to return to school after a lunchtime appointment if they can.

Please give the school as much notice as possible, at least two weeks' notice is useful.

If the appointment requires the pupil to leave during the day, they must be signed out by an adult listed on the student's record at the main reception.

Please follow this process if your child is going to be absent from school:

TOUR GUIDE

Tour guides lead groups of tourists through various attractions, such as historical sites, museums, natural landscapes, and cultural hotspots, telling stories that bring the locations to life.

Tour guides must have a deep knowledge of their destinations, and significance, and must be able to answer questions accurately.

Additionally, they ensure the safety and comfort of their group, managing logistics like timing, transportation, and accommodations. Strong communication skills are essential.

On average, entry-level tour guides can expect to earn around £16,000 to £20,000 per year. With a few years of experience, this figure typically rises to between £20,000 and £25,000 annually. Seasonal demand and tips can also significantly impact a tour guide's total earnings.

Edulink & contact With the College

Please do not address emails, or replies to Edulink messages, to Edulink@clystvale.org. It is an unmonitored mailbox and will not go to anyone. Parents/carers need to reply to Edulink messages via the app, online, or via email, as this will then be directed to the staff member who sent the message to you. Or, please contact the teacher or admin@clystvale.org.

There is also a contact form and details below.
