

Principal's Update

Sara Jacobs
Principal

Dear Parents and Carers,

Thank you for your support during my first half term as Principal of Clyst Vale Community College. It has been a very busy first half term but also an incredibly rewarding experience. A highlight has been the opportunity to meet with the Student Board. Our Board contains representatives from Year 7 through to Year 13 and demonstrates the value we place on student voice. Empowering our students to have input into their educational experience during their time at Clyst Vale is a strength of the College. Our Board members are currently exploring an initiative that supports students in addressing behaviour they deem undermines our ethos as a Rights Respecting School.

In my last newsletter I referenced the options process for Year 9. The process continued this week with the Options Fair. I would like to give public thanks to the Year 10 students who gave their time to support this event. These students were fantastic ambassadors for the subjects they represented, speaking eloquently and passionately about the benefits of opting for a particular subject. Our Year 9 students have until 9.00am on Friday 23rd February to make their choices. We recognise this can be daunting for some students and therefore please do remember, if a student feels unable to confirm their final option choices by the deadline, they may request an individual interview. Many thanks to Mrs Bennett and the Careers Team for organising this opportunity for our students.

Looking ahead I am sure the Year 10 and Year 11 students may not thank me for mentioning it, but both year groups have exams during the next half term and so next week would be a good time to get organised and engage with revision. As the warmer weather approaches (hopefully) students will be required to take their coats off in lessons, please would you ensure your child has a jumper so they can wear this instead of their coat.

We return to College on Monday 19th February, in the meantime have a lovely half term break.

Best wishes

Sara Jacobs, Principal

Thank you!

Dear Madam/Sir,

Our daughter, xxxxxxxx, had the privilege of being accepted into your college community as a visiting student for two weeks in January 2024.

We are writing to express our heartfelt gratitude for the kindness and generosity extended to xxxxx during her time at the college. She was genuinely impressed by the open, supportive, and welcoming atmosphere she encountered while attending classes and forging new friendships.

xxxxx felt safe, supported, and genuinely intrigued by the strong relationships demonstrated among students themselves and with teachers. The sense of community and camaraderie she observed further enhanced her overall experience at your college.

We would like to commend the college for its excellent communication and willingness to accommodate xxxx for the duration of her visit. Your efforts have not gone unnoticed and are deeply appreciated by our family.

Thank you once again!

Best regards from the Xxxxxx family!

House of Commons Trip

On Monday 5th February 12 of our Post 16 students joined me on a fantastic trip to Westminster.

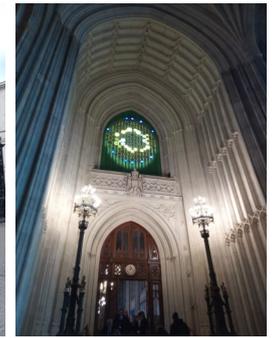

We had a tour of Parliament booked through the UK Parliament Education department. This also included a chance for all of the students to learn about how laws are made and joined in a debate.

We managed to get tickets to get in to Downing Street and we were able to take photos outside both Number 10 and Number 11 Downing Street. We also went on to Horse Guards parade and watched some extremely well trained horses and riders change guard.

The final part of our trip was a quick stop at the UK Supreme Court.

The students behaved perfectly throughout the day, of course, and were wonderful ambassadors for Clyst Vale Community College.

Student Finance and Living on a Budget

Lots going on!

Attendance, Absence and Requests for Absence

Reporting an Absence

Parents are expected to inform us of their child's absence before 9.00 a.m. on each day of absence providing the reason for absence. If the absence continues beyond the first day, please contact the College on each subsequent day of absence, too. To comply with safeguarding obligations, we cannot simply assume a student's sickness absence is ongoing; we need to be certain that the reason for absence is due to continuing illness. If you do not notify the College, then we will make contact with you to identify the reason for absence. This is important as it helps to reduce unauthorised absences and truancy. In addition, the College may ask you to provide medical proof if your child is absent from College due to illness.

Lateness

The school day (first registration session) starts at 8.50 am, all students are expected to be in their classroom at this time.

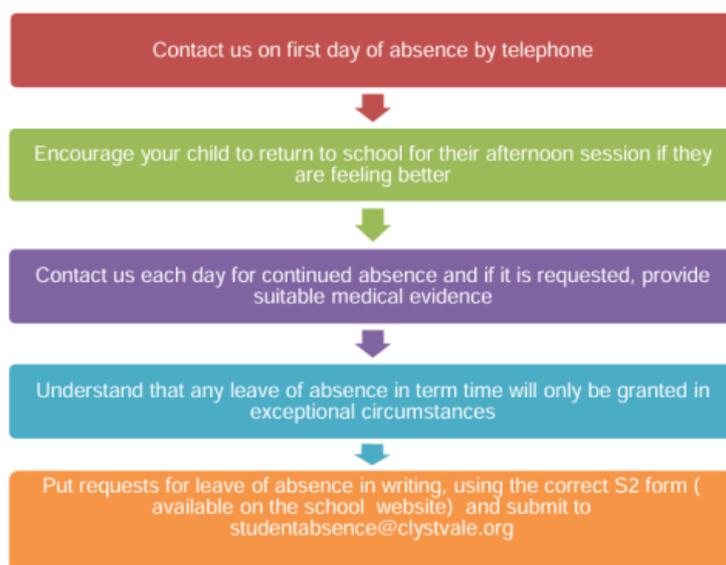

Medical Appointments

We encourage students to maximise their levels of attendance; research indicates a direct link between attendance and examination performance. The timing of many medical appointments means that often students can attend school first and return afterwards. By doing so, students minimise missed learning whilst keeping their attendance levels as high as possible. We ask that parents/carers send their child into school for morning registration, even when a medical appointment takes place in the middle of the morning. Similarly, appointments scheduled for the afternoon should, where possible, be arranged after Period 4 - during lunchtime. Students are encouraged to return to school after a lunchtime appointment if they can.

Please give the school as much notice as possible, at least two weeks' notice is useful.

If the appointment requires the pupil to leave during the day, they must be signed out by an adult listed on the student's record at the main reception.

Please follow this process if your child is going to be absent from school:
